

Welcome to...

Sandpoint

Most accurately described as the place where God kisses the Earth each morning. Sandpoint is an appealing blend of adventurous hardworking pioneer stock and artistic visionaries. Golfing, scenic drives and boat rides, quaint shops and art galleries, music, horses, hiking trails and miles of lakes and streams let you make your day.

Sandpoint is located in the Idaho Panhandle an hour and a half drive northeast of Spokane International Airport (I-90 to HWY 95). We look forward to meeting you!
